Benedictine Basketball Camp 2010

Coach Helton along with his staff and the Benedictine Basketball Team will guide campers through daily individual and team building skill sessions. The campers will have the opportunity to learn one on one with the coaches and players of the Benedictine Cadets, as well as being placed on a team for the week. The camper's team will be led by one of the current Cadet basketball players and have the opportunity to work together in a team environment against other teams in camp. Coach Helton has worked camps and trained basketball players for 15 years and is looking forward to helping the campers of Benedictine Basketball Camp 2010 take their game to the next level.

Benedictine Basketball Camp is designed to integrate ball handling, shooting, rebounding and defensive skills into the game of young promising athletes. Campers will not only improve their ability to play the game, but also the leadership and team skills needed to be successful at the next level.

Benedictine Basketball camp will help to motivate and mold young athletes for future success in life through inspiration, enthusiasm and learning to work together!
