GAME PREVIEW:

The Cadets survived and advanced last week to get to the state quarterfinals for a third straight season. The defense came up with a couple of huge fourth-quarter stops, and touchdown runs by Chris Harris and John Wesley Kennedy keyed the victory. Senior Jacob Collins had a tremendous performance with 123 yards on 17 carries. Tru'self Cooper racked up 19 tackles and Chris Harris added 14. Senior Tillman Geriner came up with the two biggest interceptions of his career, returning one for a touchdown. BC will take on perennial power Fitzgerald in a matchup of two top-five-ranked teams. It will be the third straight season the Cadets will host a state playoff game the day after Thanksgiving. The last two years, BC defeated Calhoun and Lovett to advance to the semifinals. The winner will play the winner of Rabun County at Jefferson County in the state semifinals.

The Fitzgerald Purple Hurricanes have one of the most tradition-rich and successful programs in Class AA. Eleven of the past 12 seasons, the Hurricanes have won at least 10 games. They have reached at least the state quarterfinals seven of the past eight years. This will be the second meeting between Fitzgerald and BC with the Cadets winning in 2013 in the second round. This year, the potent Hurricane offense is led by the combination of QB James Graham and RB J.D. King, one of the best backs in the state with exceptional speed and size. The offensive line paving the way is a mix of veterans and first-year starters. The defense has been stingy all season, holding opponents to 15 points or fewer on eight different occasions, including two shutouts. The defensive line will be one of the biggest the Cadets have seen all year and the group includes two three-year starters. Fitzgerald looks to advance to the semifinals for a second straight season.
