GAME PREVIEW:

The Cadets travel to the greater Atlanta area for the fifth time since Danny Britt took over as head coach in 2011. BC is coming off a season-opening 24-7 victory over Glynn Academy, which was No. 2 in Class AAAAAA. Senior John Wesley Kennedy had a big night with touchdowns receiving and rushing. The Cadets' defense was able to force six turnovers to slow down a high-powered Red Terror offense. BC will continue its difficult non-region schedule with its third all-time meeting with St. Pius X. This will be the first game between the two Catholic schools since 2011, when St. Pius X traveled to Memorial Stadium. Both teams are ranked in their respective classifications with St. Pius X coming in at No. 6 in Class AAAA and BC at No. 2 in Class AA. BC has lost a combined two games on the road in the past three seasons, while St. Pius X has lost three home games in that span.

St. Pius X has become one of the best programs in Georgia over the past decade. Under Paul Standard, a St. Pius X graduate, the Golden Lions have experienced unbelievable success in his 15 years at the helm. Thirteen of those seasons have seen the Golden Lions reach the state playoffs, and over the past seven campaigns they have averaged almost 11 wins per year. Standard has led his program to eight state quarterfinal appearances, and in both 2012 and 2014, St. Pius X reached the state championship game. This year's team appears primed for another deep playoff run. Coming off a four-point loss to No. 2 Blessed Trinity, the Golden Lions are considered the favorite to win Region 8-AAAA. The offense relies heavily on the run game with an impressive option attack. The defense will base out of a 4-3 look with athletic personnel in the front seven. The Golden Lions tend to excel at special teams.
